Sparking leadership for a sustainable future

NAAEE's EE 30 Under 30 recognizes outstanding leaders from around the world who are using environmental education (EE) to create stronger, healthier communities.

To address today's complex challenges, we need a diversity of perspectives, skills, and experiences, which is the power of this program. EE 30 Under 30 celebrates the unique and passionate leadership of talented young leaders around the world and gives them a professional boost to increase their impact.

We equip these young leaders for greater impact through:

Community

To learn and network with fellow awardees and other EE leaders

Recognition

To gain credibility and confidence to scale up their work

Professional Development

To build the skills and technical support they need to expand their impact

Funding Opportunities

To bring their transformational ideas to life through Changemaker Grants

Grantees amplified their impact through partnerships with over 250 organizations, including schools and universities, non-profits, businesses small and large, faith communities, and tribal organizations.

About NAAEE

For five decades, NAAEE has been a leader in promoting excellence in environmental education throughout North America and around the world, with members in more than 30 countries. NAAEE and its 56 state, provincial, and regional affiliate organizations in the United States, Canada, and Mexico have more than 20,000 members. NAAEE's mission is to advance environmental literacy and civic engagement using the power of education to create a more equitable and sustainable future.

We are grateful for **Wells Fargo**, the **Global Environmental Education Partnership**, and the **U.S. Forest Service** for their generous support of the EE 30 Under 30 program.
